O. & M.

The OHIO & MISSISSIPPI RY is the only road running a passenger train from St. Louis to Cincinnati.

4 SOLID VESTIBULED TRAINS are run from St. Louis to Cincinnati by the O. & M. Ry. All classes of passengers have the use of these cars without extra charge. Advertisements of rival lines are intended to deceive the public, as no other road runs a train of passenger cars from St. Louis to Cincinnati. The time by the O. & M. Ry. is LESS THAN 10 HOURS from St. Louis to Cincinnati, much quicker than by the longer and inferior routes.

NO CHANGE OF CARS by this route from St. Louis to Louisville, Cincinnati, New York, Philadelphia, Baltimore and Washington and to other important Eastern points. The O. & M. Ry. is the shortest and the quickest, and transports more passengers from St. Louis eastward than any other road from St. Louis. Official figures show this to be true. Passenger fares are much less by the O. & M. Ry. than by any other route.

THROUGH TICKETS by the O. & M. Ry. are for sale at all offices of connecting lines West, South and Northwest of St. Louis. When purchasing ask for tickets via the O. & M. Ry. For sale at St. Louis at Union Depot, and at Company's Office, 105 North Broadway. Address A. J. LITTLE.

Never a Failure.

The Red River Valley of Minnesota and North Dakota has never had a failure of crops. It produced 30,000,000 bushels of wheat besides other cereals in 1890. Farms can be had on the crop plan, or long time cash payments. It is not an uncommon thing to pay for a farm from the proceeds of one crop. It has all of the advantages of an old country in the shape of school, church, market, postal and railway facilities, and all the chances of a new country in the way of cheap lands, rich soil and increase in values. It is one of the most fertile and promising regions in America not yet fully occupied. In the rush to the far west, however, this rich valley has been overlooked. It has room for a million more people. Write to F. I. WHITNEY, St. Paul, Minn., for particulars. Publications sent free.

Tickets for these excursions will be on sale at the company's coupon offices west of and including Springfield, and at Kansas City, on September 9 and 23, and October 14.

For FLORIDA the following special arrangements will be made: Round trip tickets to prominent Florida points will be sold on September 9, 22 and 29, October 7, 19 and 28, November 16 and 24, and December 2. On these dates the Memphis route will also sell to those going to Florida to remain, one-way tickets to points in that state at the rate of one and one-half cents per mile. Shortly after midnight, December 10, 1890, death came to the relief of Stephen Carrington, who was thrown from his horse by coming in contact with a grape vine Sunday night, November 30. His sufferings were terrible, but he bore them patiently and tried to comfort his aged parents, whose help he was. Who caused his death may never be known, but the conscience of the person who did it will remind them of the act.—Fulton Sun.
